We met several years ago when you and Max gave firesides in Kanab and Moccasin. I enjoyed reading your modern polygamy book and thought it was well researched and documented. I do have some updates that might interest you:

1. THE PETERSON GROUP - a pyramid style temple and compound is located a few miles east of Modena, Utah (638.00 acres).
2. THE NAYLOR GROUP - their church building is located on Ivan Nielson's property at 14055 South 1300 West.
3. THE "D.I. RANCH" - located west of St. George at Motoqua. It is adjacent to the Allred Group's 1,100 acre settlement of El Rancho Motoqua (incorporated 2-24-1982).

Enclosed is a partial list of polygamist groups that you may or may not have heard about.

Best wishes,
