Feb. 20-1916.  
Bear River Canyon. Have  
been snow bound here  
for 30 hours. Snow slides  
blizzards & break downs.  
Can't tell when we will  
move, but hope by morning.  
The worst blizzard I have  
known. Feb. 21<sup>st</sup> 11 AM. After  
the hours of darkness, we are  
moving North - Redd.
