My publisher is 1stBooks Library. It is a vanity press, but the cheapest that I could find. They have had many best sellers. Altogether it is costing me about 1,000 dollars. I sent my manuscript to Deseret Book but they rejected me. <grin> Most vanity press productions cost 3 to 5 thousand dollars.

Generally, I write in WordPerfect. They translate it to Word.

You can always use my name. As long as you don't lie. <grin>

Would you be interested in coming to our next general conference? It will be the weekend of the 21st of March. You can meet all of the players!

Why would you write a biased history? Be courageous and write the truth. <grin>

Robert.

Thanks for the information - would it be okay for me to quote you in a footnote in my text or would you prefer I not use your name?

It may be a week or so before I get a rough draft of this chapter done. I can send it in WordPerfect, WORD or a pdf file... let me know what would be best.

I'm curious who your publisher is - I'm looking for one for my manuscript as well. I don't think our books will compete since everything in mine, except one chapter, deals with the Woolleys and the history (biased of course) of PM in the Church.

Thanks

Brian

I would very much like to read you chapter.

Though Fred claims keys from Ross, he does not claim to hold Ross' keys. He claims to hold Joseph Smith's keys. That might seem to be a moot point but that is the way that it is. Fred claims to be Joseph Smith reincarnate.

Other claimants are myself, Tom, Mike Stagg, Stan Shepp, Ross Jr, David LeBaron, DeWayne, James, Wes and a coupla others I do not remember. Very few are ordained who do not claim to be the cream

cheese.

My book is finished and is waiting to go to the publisher. Give it a coupla months. It will be in book stores. And it does contain a lot of history.

The major groups are mine, Tom's, and Fred's. I am the only one who will associate with the others. Tom's group and Fred's think that I am way to negative to associate with. Although when Fred needs documents, he does come to me for them. I have more than 100,000 pages of documents here. That is part of the reason it is so hard for me to find anything.

There are about 6 men associated with Tom plus 3 or 4 hangers on.

There are about 5 men (as per Fred) who are associated with Fred.

There are about 20 or so who are associated with me. But most of these are others listed above and their own group. We just associate together. Tom will not associate with any of us.

I don't much know about Ervil's group except that it is very small. So small that they are resorting to marrying brother and sister. Never-the-less, most of them are in prison.

In addition to that there is Alma's group called the "Economic Government of God" and please remember that Alma is my Father-in-Law. He has about 6 men associated with him. All are his natural sons.

Then there is Joel Jr's group, Joe Parson's group, Siegfried's group. I don't know how many their groups have but in the congregate there are several hundred. But they recognize that they do not have the keys of heaven. Most feel that Joel will return and give them to them. One thing that they are absolutely convinced of is that Ross never had any keys. Ross did pass his keys on. Joel forgot.

Robert.

Hi Robert,

I thought I might bypass the Yahoo group to ask if you would have any interest in looking over a chapter dealing with the LeBarons that I'm writing for my book?

I could email it as an attachment.

I understand that Fred Collier and Tom Green also claim to hold Ross' keys, is that right? Also, do you know how may members there are of:

The Church of the Firstborn of the Fulness of Times (Joel-Verlan)

The Church of the Firstborn (Ross)

The Church of the Lamb of God (Ervil)

today?

Any chance I could get a copy of your book? I imagine it would be very interesting reading.

Thanks for your help and kindness,

Brian Hales

Brian, don't say that I never gave you anything. Robert.

"Ordination of Brother Margarito Bautista to the office of Apostle and Patriarch, under the hands of Rulon C. Allred and confirmed by Joseph W. Musser which delegated all of the authority which he possessed.

"By Rulon C. Allred June 22, 1951.

"Brother Margarito Bautista: In the name of Jesus Christ and by the authority of the Holy Priesthood, and by the authority which we hold; we, your brothers, place our hands on your head and we ordain you an Apostle of the Lord Jesus and a Patriarch, and we confirm on you all the authority of the Holy Priesthood which we, ourselves, possess. This we do, so that you may glorify God and for no mean or impure reasons; because if you use this power and authority unrighteously, it will turn to your condemnation by virtue of your Holy Priesthood.

"You are over the Latin American people to continue the fullness of the gospel and the ordinances among them, without having to depend on any other man, these blessings we confer upon you in the name of Our Lord Jesus Christ. Amen.

"Ratification of the ordination to the Apostleship by President Joseph W. Musser.

"Dear Brother Bautista: As a man who holds the keys of the Holy Apostolic Order over the people I confirm on your head the blessings which you have received from brother Allred, and seal on you all the authority which I myself possess. You are an apostle of the Lord Jesus and a Patriarch, and we give these blessings to you in the name of Jesus Christ, Amen."
