Remnants were made by Elders Turner, Knight and Woolley spoke, good meeting."

Sunday Jan. 24th

Priesthood meeting in our own meeting house... Sunday afternoon meeting in the home of our friend Hendricks. Had powerful testimony borne by Elder Woolley, regarding the Prophet Joseph Smith.

Monday Jan 25, 1897.

Priesthood meeting at 10 am. Instructed the Elders. Elders Knight and Woolley also spoke. Afternoon meeting at 1 PM. Most all spoke. Elder Woolley testified that he knew that the Prophets Joseph, Brigham and Heber lived for he had seen them as they appeared to Prest. John Taylor in Boo. John Woolley's house. During our various meetings we had a splendid time together enjoying each other.
